MEMORANDUM FOR: Project Director

THROUGH : Deputy Project Director

SUBJECT : Briefing of Project Personnel on Current Operations

25X1  
1. Though I am sure the idea is not original with me, after having been treated to an informal orientation covering the capabilities and techniques of the Operations Center, together with Project accomplishments to date, by [redacted] I am moved to suggest that I believe it would be extremely profitable were the Director of Operations able to schedule a limited briefing of the same nature for Project personnel who may not have normal access to Operations.

2. Periodic briefings of this sort can go a long way toward giving people a sense of identification with an activity such as ours, which sometimes seems a little evanescent and unrelated to specific accomplishments.
